

SPORTS TEAM FIRST AID PACK

We've taken Sports First Aid to an accessible level

A comprehensive first aid kit

Our durable gear bag is 19" x 10" x 10" & is packed with all the first aid necessities to accommodate your Soccer, Baseball or Little League teams.

The 24 Instant Ice Packs are the largest component of this sports first aid kit. Generally, ice packs are the first product to be used in most sports injuries (sprains, breaks, lacerations and contusions).

You won't find another sports first aid kit anywhere that has as many ice packs as our kit!

comments:

Tampa Bay, FL - *"I love your products and customer service. Keep up the good work! "*

Somerset, MA - *"Your's is the only first aid kit which comes with ice packs. Just what we use most!"*

Hubbard, OH - *"When the season is over, I just order a new gear bag. We can always use the bag."*

Surprise, AZ - *"You must have children of your own because you seem to know just what we needed!"*
